VOLUME 48, 1969

	Page		Page
January			
Survey facing	A4	"Statistics and Quality Control" by B. W. Jenney, BA(Econ), CEng, MIPrDE, AMBIM, and D. W. Newton, MSc, BSc(Eng)	121
Notice of Annual General Meeting	1	"The Significance of Cost in Production Control" by D. Garbutt, Dip Ed, ACIS, ACWA	125
Minutes of Annual General Meeting, 18th January, 1968	2	PERA Quarterly Newsletter	129
Election of Members of Council 1968-1969	3	Teaching Design for Production	131
Report of Council, 1st July, 1967 to 30th June, 1968 <i>International Hovercraft Conference</i>	4	Institution Notes	132
"Some Aspects of Reinforced Plastics Applied to the Structure of Marine Hovercraft" by P. J. Hill, CEng, MIPrDE	19	CEI News	134
<i>The 1968 E. W. Hancock Paper</i>		News of Members	136
"Leadership in Management—The Elusive Ele- ment" by Brian P. Smith, BSc(MechEng), CEng, MIMechE, FIPrDE, MBIM. Report and Discussion	26	Correspondence	139
Institution Notes	34	Hazleton Memorial Library—Reviews and Additions	140
News of Members	35	Production Engineering Abstracts	143
Production Engineering Abstracts	37	Register of Chartered Engineers	150
New Production Equipment and Materials	43	New Production Equipment and Materials	153
February			
Survey facing	A4	April	
Education and Training for Industrial Production— speeches at the Annual Dinner	49	Survey facing	A4
<i>The 1968 George Bray Memorial Lecture</i>		Women in Engineering	159
"Recent Developments in Ceramics and their Appli- cation in Engineering" by P. Popper, BSc, CEng, FIEE, FInstP	55	"Industrial Design and Production" by W. H. Mayall, CEng, AFRAeS	161
"The Techniques and the Mechanism of Explosive Welding" by V. Shribman, BSc, PhD; A. S. Bahrani, MSc, PhD, MIMechE, and B. Cross- land, MSc, PhD, DSc, FIMechE	69	<i>Discussion on Fluidics in Industry 1968</i>	
Production Data Memoranda—Automated Assembling	85	"The Role of Pure Fluidic Devices in Machine Tool Applications" by K. Foster, MA, PhD, CEng, MIMechE, and G. A. Parker, BSc, PhD, CEng, MIMechE, MASME	169
Institution Notes	86	CEI News	181
Obituary	87	Institution Notes	182
News of Members	88	News of Members	184
Production Engineering Abstracts	89	Membership Elections and Transfers, approved by the Council of the Institution on 23rd January, 1969	186
New Production Equipment and Materials	93	Production Engineering Abstracts	189
March			
Survey facing	A4	New Production Equipment and Materials	195
Metrication Moves Ahead	99	May	
"Laser Interferometry and its Application to Length Measurement" by D. C. Wilson	101	Survey facing	A4
"Programmed Workshop Control" by D. R. Pummell	108	The First E. Percy Edwards Paper	201
<i>The 1968 George Bray Memorial Lecture</i>		<i>The 1968 Viscount Nuffield Memorial Paper</i>	
"Recent Developments in Ceramics and their Appli- cation in Engineering" by P. Popper, BSc, CEng, FIEE, FInstP. Report and Discussion	115	"The Education of Production Engineers" by Professor N. A. Dudley, PhD, BSc, CEng, FIPrDE	205
<i>Discussion of Fluidics in Industry, 1968</i>			
"The Maxalog Fluidic Control System" by H. M. Stoneman, BSc(Eng)			
"Industrial Fluidic Components and their Applica- tion to an Automatic Pin Orientation and Socket Testing Device" by N. W. Sykes, MA, BSc(Eng), CEng, MIMechE, MIEE
